Thank you for helping provide a safe outdoor education environment.
"Leave No Trace" is a nationally recognized outdoor ethics education program. National sponsors include the Bureau of Land Management, Forest Service, National Park Service, Fish and Wildlife Service, Subaru and Recreational Equipment Inc (REI). The principles of Leave No Trace are not rules but guidelines to promote the wise stewardship of natural resources.

**Plan Ahead and Prepare**

Plan ahead and prepare for outdoor activities. Review Scout Island facility use guidelines with all participants who will attend your event or activity. Coordinate access with Scout Island staff and make plans to carpool. Everyone should be prepared to walk to the outdoor river area. Remind participants to dress appropriately.

**Travel on Durable Surfaces**

Walk on roads and trails. Minimize activities in riparian areas. When visitors trample vegetation communities of organisms may be harmed. Barren areas can create dust and cause erosion.

**Leave What You Find**

Allow others a sense of discovery: Leave rocks, plants, animals, and other objects as you find them.

**Minimize Site Alterations**

Do not dig holes or trenches or build structures with rocks and vegetation. Never hammer nails into trees, hack at trees with hatchets or saws, or damage bark and roots. Do not move rocks or cut vegetation.

**Respect Wildlife**

Observe wildlife from afar to avoid disturbing them. Give animals a wide berth, especially during breeding, nesting, and birthing seasons. Keep garbage and food scraps away from animals so they will not acquire bad habits. Help keep wildlife wild.

I have requested permission to participate in Scout Island Outdoor Education Center canoeing programs, ropes course, educational field trips service-learning and/or professional development activities (the "Program"). I understand that permission will be granted only if this Waiver is executed.

I agree and acknowledge that: (1) I am volunteering my services for the Program without anticipation of any payment because I want to personally participate in the Program; (2) I will perform assigned tasks to the best of my ability, and I will not do tasks that are beyond my ability; (3) I am familiar with the safe operation and use of the equipment or tools that I may use during this activity, and I will not use any equipment or tools with which I am unfamiliar or do not know how to safely use; (4) I have received complete instructions about the work I will perform at the Program, including safety and emergency procedures, and I understand those instructions; (5) I will use only the supplies, equipment and tools provided by individuals supervising me at the Program, and I will not do anything to damage the environment in any way; (6) I will observe all safety rules and use care in the performance of my assignments; and (7) I am engaging in this activity at my own request and risk, and not as an employee, agent, official, officer or representative of any of the Released Parties, and I am not entitled to any compensation, benefit or insurance coverage from any of the Released Parties, nor will I make any such claim.

In exchange for permission to participate in the Program, I personally assume all risks of any harm, injury or damage, whether foreseen or unforeseen, associated with my visit to and participation in the Program. I understand and agree that the United States Canoe Association, RiverTree Volunteers, Clovis Unified School District, Fresno Unified School District, U.S. Bureau of Reclamation, State of California, Fresno County, The Fresno County Superintendent of Schools, The Fresno County Office of Education, Marvin Meyers as trustee of the Meyers Farms Family Trust, Meyers Fanning, LLC, Central Unified School District, Intermountain Nursery, James and Coke Hallowell, and their respective employees, officers, agents, members, trustees, beneficiaries, affiliates and assigns (the "Released Parties") shall not be liable or responsible in any way for any injury, death or other damages to me or my family, heirs or assigns that may occur as a result of my participation in the Program or any activities occurring while I am at field sites, or as a result of product liability or the negligence (whether passive or active) of any party relating in any way to my visit. I understand that participating in the Program involves certain inherent risks, including, but not limited to, the risks of possible injury, infection or loss of life as a result of the proximity to running and standing water, uneven terrain, dense bushes, trees and underbrush, wildlife, environmental conditions or my own over-exertion. I understand that some Program activities may be in or around water, and that during these activities, there is a possibility that I may fall into water and may need to swim or wade ashore. I also understand that canoeing activities involve unanticipated hazards presented by the flow of the river, such as rapids, being swept into over hanging bushes and trees, possibility of capsizing, getting wet or needing to swim to shore. Despite these risks, all of which I am willing to assume, I wish to participate in the Program.

There are no personal limitations that would keep me from participating in the Program.
